

**WALKING WAS THE FIRST FORM OF TRANSPORTATION.**

We're trying to take  
**1,000,000  
STEPS**  
at the Museum  
this summer!

**IT'S A NATIONAL  
MUSEUM OF TRANSPORTATION  
'TRACK' MEET**

We need our  
guests, staff, and  
volunteers to  
**STEP UP**  
and help!

How  
many steps  
did it take you  
to get to the  
Big Boy?

**STAY ENGAGED.  
STAY MOVING.**

**#getthekidsoutside**

*And do it all while viewing a world-class collection of artifacts!*

**Do you have a Fitbit? Apple Watch? Walking APP on your phone?  
If not, we have a few pedometers you can check out!**

TRACK how many steps you take at the Museum and let us know on your way out!  
If you're in a group, multiply the number of steps by the number of people in your group.  
It's just for fun! We've all stayed at home this spring. Now, let's get out and get moving!
