

ALL Aboard

So **ALL** children can visit The National Museum of Transportation regardless of their ability to pay

GIVE THE GIFT OF ADMISSION

'ALL Aboard' provides children in our community the opportunity to experience our legacy in motion regardless of their ability to pay. **'ALL Aboard'** provides Museum field trips to underserved populations, children in foster care, and those receiving ongoing medical care.

At TNMOT, we are committed to expanding our reach and reaching those who may not be able to visit the Museum without assistance. **'ALL Aboard'** provides that assistance.

Through the **'ALL Aboard'** program, area youth will visit the Museum, participate in an educational program, and ride the miniature train free of charge. It's a day they'll remember for a lifetime.

We work daily to ensure a bright future for our historic past. You can share that past with the next generation! Please sponsor a child's Museum visit today!

**THE NATIONAL MUSEUM OF
TRANSPORTATION**

DONATE

Will you sponsor a child to visit The National Museum of Transportation?

Your \$8.50 donation provides admission and a miniature train ride for one deserving child in our community.
