To kick off this summer, join us for a free family event highlighting the power of play in children’s lives!

From fishing and bubbles, to parachute play and adaptive sports, there will be fun activities for all.

Plus, families will be able to sign up for STL Summer Adventure, a community summer learning program powered by St. Louis County Library and St. Louis Public Library.

Play Day in the Park is a collaborative event proudly sponsored by Spire and is FREE for all families.
